U.S. Chamber Foundation Launches Fund to Support the Small Business Community

Small businesses are the foundation of our communities and our economy. Employing nearly half the American workforce, they keep our neighborhoods running and make them feel like home. The impacts of the coronavirus pandemic have wrought unprecedented financial uncertainty. These businesses need resources and relief — and they need it now.

That's why today, we are launching the Save Small Business Fund [\[t.e2ma.net\]](https://t.e2ma.net) with Vistaprint to provide assistance to small business owners impacted by the coronavirus pandemic. With contributions from corporate and philanthropic partners, the Chamber Foundation will distribute \$5,000 grants to small employers in the U.S. and its territories.

The Save Small Business Fund is part of the U.S. Chamber of Commerce's Save Small Business Initiative—a nationwide effort to address small business owners' immediate needs, mitigate closures and job losses, and mobilize the long-term support the small business community needs for recovery.

Grant applications will open on April 20, 2020. For information on eligibility, grant timeline, and more, visit savesmallbusiness.com [\[t.e2ma.net\]](https://t.e2ma.net).
