NOTICE TO THE PUBLIC**

This notice rescinds and replaces the notice published on May 21, 2012 (No. 6725556R). On February 17, 2009 the United States Congress approved Public Law 111-5 – Title XII of Division A of the American Recovery and Reinvestment Act of 2009 (ARRA), appropriating to the U.S. Department of Housing and Urban Development (HUD) funding for emergency assistance for the redevelopment of abandoned and foreclosed homes and residential properties. Through a nationwide competition for the Neighborhood Stabilization Program 2 (NSP2), a total of \$50,000,000 was awarded to the Palm Beach County CDBG Entitlement Jurisdiction (which excludes the Cities of West Palm Beach, Boynton Beach, Delray Beach, and Boca Raton). Palm Beach County entered into an Agreement with HUD on February 11, 2010, which was later revised by several amendments to the application.

4th Regular Amendment to the NSP2 Application

The County’s full NSP2 \$50,000,000 funding allocation is currently budgeted to eligible activity types as follow: Financing Mechanism (Category A) - \$10,673,027; Acquisition and Rehabilitation (Category B) - \$16,406,973; Redevelopment (Category E) - \$18,670,000; and Program Administration - \$4,250,000.

The proposed 4th Regular Amendment will reduce funding of the Mortgage Program by \$2,973,027 and reduce funding of Program Administration by \$700,000 in order to make a NSP2 loan in the amount of \$3,673,027 to HTG Palm Beach II, Ltd. for Pine Run Apartments, a Redevelopment activity entailing acquisition of vacant property and new construction of a 63-unit townhome style rental development, located at 5212 Sunset Trail, unincorporated Palm Beach County. The Pine Run Project was recommended for funding through a competitive Request for Proposals process (RFP DES.2012.1), and will be presented to the Board of County Commissioners for final funding approval at its meeting of June 5, 2012.

Below, the current NSP2 budget and number of housing units to be produced are compared to the proposed budget and estimated number of housing units to be produced given the proposed 4th Regular Amendment:
