Another "Season-of-Success" is underway in Palm Beach County, the Spring Training home of the World Series Champions. See how the benefits of Spring Training baseball stretches far and wide across the county. Coming up on PBC TV!

### Dear Palm Beach County Subscriber:

On behalf of Palm Beach County and the Tourist Development Council, I would like to thank you for your support of Spring Training. It is an exciting time for fans of baseball as we welcome back the World Series Champion Washington Nationals to their spring home, the FITTEAM Ballpark of the Palm Beaches. Team manager, Dave Martinez, says the team is "full of energy" coming off the World Series and ready to play more ball.

Not only do the Washington Nationals call Palm Beach County home, but we are also host to the Houston Astros, St. Louis Cardinals and our own Miami Marlins. Nowhere else in Florida can you see four National League baseball teams play at two stadiums. The FITTEAM Ballpark of the Palm Beaches with intimate seating of 6,500 and Roger Dean Stadium with 6,800 seats, offer the action up close and personal. Watch players work out, warm up, and play ball seven days a week.

The Tourist Development Council, in conjunction with the Palm Beach County Sports Commission, is tasked with bringing sports tourism to our area, and baseball is a cornerstone to that cause. Palm Beach County is host to professional, collegiate, and amateur baseball competitions throughout the year. But sports fans come to our area not only to watch baseball, they come for golf, polo, scuba diving, tennis, and much more. Palm Beach County is the perfect place for sports in spring and all year long.

Turn to the inside pages for team schedules, ticket information and learn about exciting features both stadiums have to offer. The FITTEAM Ballpark of the Palm Beaches and Roger Dean Stadium both offer entertainment and community events that are fun for the entire family. Join baseball action live through March.

Whether a sports fan, a connoisseur of culture, or you just want to relax and enjoy the weather, visit [www.thepalmbeaches.com](http://www.thepalmbeaches.com) or [www.palmbeaches.tv](http://www.palmbeaches.tv) for information on venues and activities.

Glenn Jergensen
