GUARANTY REDUCTION REQUEST

The following items must be submitted to the Land Development Division:

1. A letter from the developer or authorized agent requesting a guaranty reduction.
2. A check made payable to the Board of County Commissioners for \$450.
3. An updated, certified opinion of cost for Required Improvements, showing the original quantities and costs, the remaining quantities and costs and the completed quantities and costs. Attached is a standard form for your use. The form must be signed, sealed and dated by the Engineer of Record.
4. A certified statement that there has been no encroachment within the dedicated public or private streets, lake maintenance easements, lake maintenance access easements or drainage easements, unless previously approved or permitted by the County Engineer. The statement must be signed, sealed and dated by the Engineer of Record.
5. If the guaranty is by Performance Bond, a Verification Certificate with the name, street address and executed acknowledgment for the Attorney-in-Fact updating the current performance bond.

Please remember that all items must be submitted together as a complete package.

Note that no reduction request will be considered if the associated Land Development Permit has expired.
