- **Verdenia Baker - County Administrator
- ***James Stiles - Director, Water Utilities
- ****Irwin Jacobowitz - Director, Contracts Development & Control
- *****Tonya Johnson - Director, Office of Small Business Assistance

DISCUSSION:

The Selection Committee was called to order by Steve Carrier, P.E. It was stated that the committee would be selecting a firm for Professional Engineering Consulting Services for:

**Street Lighting System Design and Related Inspection (CE&I) Annual Service
On A Work Task Order Basis
Project No.: N/A**

The meeting was opened up the meeting for Public Comments, public was present but none had questions or comments.

Opening discussion identifying and outlining the project requirements was given by Amy Harris, Sr. P.E. The outline stated what the work entailed, and what the committee should be looking for in the presentations by the firms.

The order of business was to select one consultant. Each was invited to make a presentation of their qualifications before the Selection Committee.

The Selection Committee voting members changed Electrical Design Associates “Location” points from 8 points to 10 points. Initially 8 points were assigned because the subconsultants were providing unrequested services, so their contributions were omitted. But because there was

no possibility of work being done outside the county by the team, the committee voted to allow their percent work in Palm Beach County to be considered at 100%.

RESULTS:

The Selection Committee voting resulted in the following ranking order of the consulting firms:

1. **Electrical Design Associates, Inc.**
2. **Engineered Design Services, LLC**

At the end of the Presentations Steve Carrier, P.E stated that the Public is welcome to make comments or sit and observe the discussions. None were present.
