DISCUSSION:

Quorum is present representing a minimum of four members at least two of which are engineers.

The Selection Committee was called to order by Steve Carrier, P.E., Assistant County Engineer. It was stated that the committee would be selecting a firm for Professional Engineering Consulting Services for:

**Structural Engineering Annual Services
On a work task order basis**

The meeting was opened up the meeting for Public Comments, public was present but none had questions or comments.

Opening discussion identifying and outlining the project requirements was given by David Young, P.E., Special Projects Manager, Roadway Production. The outline stated what the work entailed, and what the committee should be looking for in the presentations by the firms.

Holly Knight, Contracts Manager, Roadway Production, discussed the Equal Business Opportunity (EBO) expiration of Small Business Enterprise (SBE) certifications for Scalar Consulting Group, Inc. (Scalar) and Civil Services, Inc. (CSI), prior to the Selection Committee Meeting for this contract. The teams with those consultants listed would not be given SBE participation credit causing the teams to fall below the minimum mandatory 20% SBE participation. After meeting with the OEBO, it was determined that the firms should be given an opportunity to increase their team's SBE participation by submitting revised prime/subconsultant questionnaires and give the firms an opportunity to adjust their teams to meet the Affirmative Procurement Initiative (API) for this contract. The only scoring change was that Scalar's location points changed from two (2) points to three (3).

Holly Knight was called back into the Selection Meeting to discuss the consultants meeting the 20% minimum mandatory SBE participation for each task vs. a cumulative participation overall for the contract.

The order of business was to select four consultants. Each was invited to make a presentation of their qualifications before the Selection Committee.

RESULTS:

The Selection Committee voting resulted in the following ranking order of the consulting firms:

1. **R.J. Behar & Company, Inc.**
2. **Alan Gerwig & Associates, Inc.**
3. **Wantman Group, Inc.**
4. **Scalar Consulting Group, Inc.**

At the end of the Presentations Steve Carrier, P.E., Assistant County Engineer stated that the Public is welcome to make comments or sit and observe the discussions. Jagan Katkuri of American Consulting Engineers of Florida, LLC was present.
