*** Improved route and/ or schedule as of September 2016**

Follow these helpful hints to get you started!

- Use the Rider's Guide to determine which route(s) you need to take to reach your destination. You can review maps and schedules for all the routes, or call Customer Service at (561) 841-4BUS (4287) or (877) 930-4287 (toll-free). Just let us know where and when you want to go, and we will instruct you on which route(s) to take.
- Once you've determined which route to take and the schedule for your bus, find the nearest bus stop sign. The bus route number is indicated on the sign.
- As the bus approaches, stand up and become visible so the bus operator knows you want to board. Stand away from the curb until the bus comes to a complete stop. Make sure you have your QUIK Pass or exact change ready.
- When you enter the bus, watch your step! If the step is too high, ask the bus operator to lower it by having the bus "kneel". All Palm Tran buses can kneel, accommodating passengers with special needs.
- Once you are on the bus, read the fare rates on the farebox. If you qualify for a half fare, show your proper identification card to the bus operator. (See pages 4 and 5 for half fare information).
- Have a seat and enjoy the ride. As a courtesy, please allow the front seats to remain open for senior citizens or for passengers using wheelchairs.
- As your stop approaches, pull down the "stop indicator" cord running along each side of the bus. The operator will stop at the next bus stop.
- Wait until the bus has come to a complete stop before exiting through the rear door. Remember to check for traffic after you've exited the bus. Traffic does not stop for public transit as it does for school buses.

Understanding the Bus Stop

You've probably seen our large, two-sided bus stop signs with the reflective strip. Here is a quick reference:

Bus Stop Number. Each of our over 3,200 bus stops has a unique number. For your convenience we've added the bus stop numbers onto the schedules.

Routes Served. The bus stop identifies which route or routes are served.

Tri Rail. Palm Tran serves all Tri-Rail stations throughout Palm Beach County. If the route serves Tri-Rail, we've indicated it with the Tri-Rail logo.

Customer Service. This is a direct line to our customer service department, taking calls Monday-Saturday.

¡Para comenzar siga los siguientes consejos útiles!

- Use esta guía para determinar cual ruta(s) usted necesita tomar para llegar a su destino. Usted puede buscar los mapas de rutas y horarios alrededor del condado, o llame a Servicio al Cliente al (561) 841-4BUS (4287) o (877) 930-4287 (gratuito). Solo déjenos saber a donde y cuando usted quiere viajar, y le instruiremos que ruta(s) tomar.
- Cuando haya determinado cual ruta tomar y el horario de su autobús, encuentre la parada de autobús más cercana. El número de la ruta del autobús está indicado en la parada.
- Mientras el autobús se acerca, póngase de pie y permanezca visible para que el operador del autobús sepa que usted quiere abordar. Manténgase lejos de la cuneta hasta que el autobús llegue a una parada total. Asegúrese de tener listo su QUIK Pass o cambio exacto.
- Cuando entre al autobús, cuidado con el escalón! Si el escalón es muy alto, pídale al operador del autobús que lo baje haciendo que el autobús se "arrodille." Todos los autobuses de Palm Tran pueden "bajar el escalón" para acomodar pasajeros con necesidades especiales.
- Cuando haya abordado, lea el tipo de pasajes en la caja de tarifas. Si usted califica para una tarifa reducida, muestre identificación apropiada al operador del autobús. (Mire páginas 8 y 9 para información en tarifas reducidas).
- Tome asiento y disfrute el viaje. Como una cortesía, por favor permita que los asientos del frente queden disponibles para personas mayores o para pasajeros en sillas de ruedas.
- Una vez que se esté acercando a su parada tire del cable "indicador de parada" que corre a los lados de autobús. El operador se detendrá en la próxima parada de autobús.
- Espere hasta que el autobús haya parado completamente antes de salir por la puerta de atrás. Recuerde mirar el tráfico después que haya salido del autobús. Tráfico no para por tránsito público como lo hace por los autobuses escolares.

Constantemente estamos mejorando el diseño de nuestros horarios para hacerlos más fáciles de entender. En esta edición hemos añadido los números de la parada de autobús.

Your Bicycle and Palm Tran

A Great Way to Commute!

Palm Tran's "Bikes on Buses" Program allows passengers to take a bicycle on the bus by securing it onto a rack attached to the front of every bus.

Bus operators are not required to physically assist the customer; it is the rider's responsibility to ensure the bike is properly secured. Palm Tran assumes no liability for damages incurred to bicycles, personal property or persons while using the bike racks.

Buses can accommodate 2 bikes and rack space is available on a first-come, first-served basis.

No Age Requirement • No Additional Charge • No Permit Needed

Loading & Unloading Instructions

To Load:

1. Prepare your bike by removing any detachable or loose items. Inform the bus operator that you will be loading your bike.
2. Squeeze and pull up on the silver latch and pull down the folded rack. Only one hand is needed for this operation while your other hand can hold onto the bike.
3. From curbside, load your bike onto the rack, fitting the wheels into the designated slots. Each slot is clearly labeled.
4. Finally, raise the support arm over the front tire to secure the bike. The support arm should be resting on the tire.

To Unload:

1. When departing the bus, remind the bus operator that you are removing your bike, and leave through the front door.
2. When unloading your bike, raise the support arm off the tire. Move the support arm down out of the way.
3. After lifting your bike out of the rack, please return the rack to the upright position if there isn't another bike in the rack.
