Welcome Aboard Palm Tran!

In 1971 public transportation began serving the residents and visitors of Palm Beach County. Today, Palm Tran is better than ever, providing over 12 million rides per year. Palm Tran travels to every major destination in Palm Beach County– from Jupiter to Boca Raton and from Palm Beach to the Glades.

Palm Tran runs seven days a week (excluding holidays) serving more than 3,200 bus stops with 150 buses. Generally speaking, weekday peak service runs every 30 minutes. Off-peak service runs every 60 minutes. Weekend service runs hourly on most routes. Timed-Transfer points allow for easy movement from the north/south main routes to the east/west routes.

Palm Tran also serves several park-and-ride lots throughout Palm Beach County.

- **All Palm Tran buses are equipped with** wheelchair ramps, automatic stop announcement systems, surveillance cameras, and bike racks.*
- **Palm Tran riders can view the real-time location of buses** and easily plan their trip online using a computer or smart phone. These online tools "iGo!" use Automatic Vehicle Location (AVL) technology that is on buses and operates through Google Transit maps and InfoPoint software.*
- **Palm Tran received the first-place Unit Safety Award** from the Florida Public Transportation Association. This is the fourth consecutive year that Palm Tran has been recognized by its peers as having the safest transit system in the state. Over the past 10 years, Palm Tran has won the first-place award seven times and placed second twice.*
- **CONNECTION**, Palm Tran's paratransit division, continues to provide a high quality door-to-door service for the County's senior and disabled population. Palm Tran CONNECTION offices are now located in Palm Beach County's Four Points Center in West Palm Beach with other county agencies. This new location has been well-received by CONNECTION customers.*

Palm Tran's mission is to provide efficient, affordable and comfortable public transportation to the people of Palm Beach County. Through our network of fixed-route, paratransit and express bus services-- wherever life takes you, Palm Tran will get you there!

Getting Started

Palm Tran buses run throughout the day, every day of the week. We serve Palm Beach County north from Jupiter to Boca Raton, and west from the Glades to A1A. The Rider's Guide contains maps and schedules of each route.

Follow these helpful hints to get you started!

- Use the Rider's Guide to determine which route(s) you need to take to reach your destination. You can review maps and schedules for all the routes, or call Customer Service at (561) 841-4BUS (4287) or (877) 930-4287 (toll-free). Just let us know where and when you want to go, and we will instruct you on which route(s) to take.
- Once you've determined which route to take and the schedule for your bus, find the nearest bus stop sign. The bus route number is indicated on the sign.
- As the bus approaches, stand up and become visible so the bus operator knows you want to board. Stand away from the curb until the bus comes to a complete stop. Make sure you have your QUIK Pass or exact change ready.
- When you enter the bus, watch your step! If the step is too high, ask the bus operator to lower it by having the bus "kneel". All Palm Tran buses can kneel, accommodating passengers with special needs.
- Once you are on the bus, read the fare rates on the farebox. If you qualify for a half fare, show your proper identification card to the bus operator. (See pages 4 and 5 for half fare information).
- Have a seat and enjoy the ride. As a courtesy, please allow the front seats to remain open for senior citizens or for passengers using wheelchairs.
- As your stop approaches, pull down the "stop indicator" cord running along each side of the bus. The operator will stop at the next bus stop.
- Wait until the bus has come to a complete stop before exiting through the rear door. Remember to check for traffic after you've exited the bus. Traffic does not stop for public transit as it does for school buses.

Información General

Los autobuses de Palm Tran corren durante el día, todos los días de la semana. Servimos al Condado de Palm Beach desde Jupiter hasta Boca Raton, y al oeste desde Glades hasta la A1A. Esta guía contiene mapas y horarios de cada ruta.

¡Siga los siguientes consejos útiles para comenzar!

1. Use esta guía para determinar cual ruta(s) usted necesita tomar para llegar a su destino. Usted puede buscar los mapas de rutas y horarios alrededor del condado, o llame a Servicio al Cliente al (561) 841-4BUS (4287) o (877) 930-4287 (gratuito). Solo déjenos saber a donde y cuando usted quiere viajar, y le instruiremos en que ruta(s) tomar.
2. Cuando haya determinado cual ruta tomar y el horario de su autobús, encuentre la parada de autobús más cercana. El número de la ruta del autobús está indicado en la parada.
3. Mientras el autobús se acerca, póngase de pie y permanezca visible para que el operador del autobús sepa que usted quiere abordar. Manténgase lejos de la cuneta hasta que el autobús llegue a una parada total. Asegúrese de tener listo su QUIK Pass o cambio exacto.
4. Cuando entre al autobús, cuidado con el escalón! Si el escalón es muy alto, pídale al operador del autobús que lo baje haciendo que el autobús se "arrodille." Todos los autobuses de Palm Tran pueden "bajar el escalón" para acomodar pasajeros con necesidades especiales.
5. Cuando haya abordado, lea el tipo de pasajes en la caja de tarifas. Si usted califica para una tarifa reducida, muestre identificación apropiada al operador del autobús. (Mire páginas 8 y 9 para información en tarifas reducidas).
6. Tome asiento y disfrute el viaje. Como una cortesía, por favor permita que los asientos del frente queden disponibles para personas mayores o para pasajeros en sillas de ruedas.
7. Una vez que se esté acercando a su parada tire del cable "indicador de parada" que corre a los lados de autobús. El operador se detendrá en la próxima parada de autobús.
8. Espere hasta que el autobús haya parado completamente antes de salir por la puerta de atrás. Recuerde mirar el tráfico después que haya salido del autobús. Tráfico no para por tránsito público como lo hace por los autobuses escolares.

Cómo leer los horarios

Constantemente estamos mejorando el diseño de nuestros horarios para hacerlos más fáciles de entender. En esta edición hemos añadido los números de la parada de autobús.

Route 42 riders who have paid a fare upon boarding are permitted to stay on the bus when it changes direction (eastbound or westbound) without paying an additional fare.

For example, CareerSource patrons may board at any location on this route and remain on board until the bus heads eastbound in order to exit in front of the facility. CareerSource patrons leaving the facility are encouraged to take Route 42 eastbound, and will be permitted to stay on board as it turns around at the Intermodal Transit Center and heads westbound without paying an additional fare. The south side of Belvedere Road does not have a sidewalk or pedestrian crossing at the CareerSource facility.

Hurricane season is June 1 to November 30

Are you prepared?

For the safety of our customers and operators, Palm Tran's hurricane policy requires bus service to be discontinued if:

- Winds reach a sustained level of 40–45 miles per hour
- Emergency operations personnel deem driving conditions unsafe

Have an emergency transportation plan in place to get you safely to your destination in the event that Palm Tran is required to implement this policy. Once roads are safe to travel, service will resume as quickly as possible.

Bring Your Bicycle With You!

Palm Tran's "Bikes on Buses" (B.O.B.) Program allows passengers to take a bicycle on the bus by securing it onto a bicycle rack attached to the front of every Palm Tran bus. There is no additional charge and no permit is required, however, it is the rider's responsibility to ensure the bike is

properly secured. Palm Tran is not responsible for bikes that are damaged due to not being secured properly. Bikes cannot be locked onto the bike rack.

There is no age requirement, as long as the rider can independently put the bike on the rack, they may use the bike racks. Bus operators are not required to physically assist the customer.

Palm Tran buses can accommodate 2 bikes and rack space is available on a first-come, first-served basis. Buses cannot accommodate mopeds, gas or battery powered motor bikes or scooters of any kind, or tandem bicycles. Portable bikes and scooters (only if secured into a carrying case or bag) are allowed inside the bus.

If a bike is left on the bus, customers may call Palm Tran's Lost and Found at 877-930-4287.

****Palm Tran assumes no liability for damages incurred to bicycles, personal property or persons while using the bike racks on the bus.***

Meet the Palm Tran Service Board

The Palm Tran Service Board (PTSB) is an advisory board to Palm Tran and the Board of County Commissioners regarding Palm Tran's fixed route and paratransit programs and services.

The mission of the PTSB is to make Palm Tran bus service more efficient and to serve as the ongoing mechanism for the participation of citizens in the continued development, implementation and assessment of all Palm Tran services.

The PTSB meets on the third Thursday of each month to review and discuss existing and proposed Palm Tran service. These meetings are designed to provide the public and interested parties with the opportunity to be heard in regard to existing or proposed services. Comments may also be submitted in writing in advance of these meetings.
