TIMELINE

PHASE 1  
 Concept

PHASE 2  
 Funding

PHASE 3  
 Design & Construction

PHASE 4  
 Completion

## PROJECT DESCRIPTION

### PROJECT SCOPE

Existing restroom and lifeguard facilities at R.G. Kreusler Park are 37 years old and in need of replacement.

Work includes the demolition of the existing structure and construction of a new restroom building with expanded lifeguard quarters. South entry will also be widened to accommodate two-way traffic.

The project is expected to start in late October 2016 and be completed in April of 2017.

## PROJECT COSTS & IMPROVEMENTS

**ESTIMATED AT \$550K**

AD VALOREM TAXES

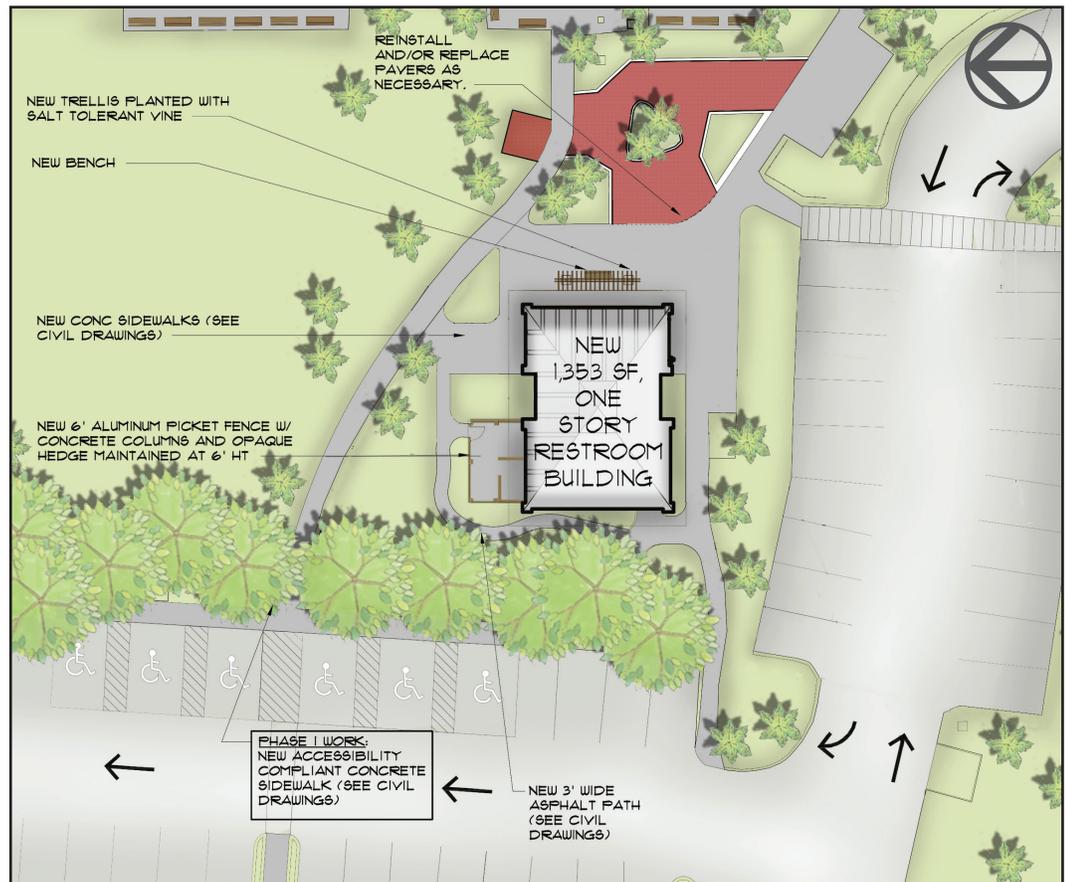

Demolition of Existing Structure

New Restroom Building
