Presenting Community Visual Arts Programs for Youth

There's a new kid in town...

Several new kids in fact, ready to participate in our new Youth community Visual Arts programs. It has been quite a few years since our Start with the Arts programs for youth. So now, back by popular demand – check out these awesome new youth art opportunities!

ArtPop Jr is a single session program for youth ages 8-15 featuring a variety of art project favorites, seasonal themes, or something new to try! A parent/guardian must accompany and help their child participate in the art projects. Our young student artists had a fun time making great art pieces in our December and January programs. Watch for the next one to POP up!

Coming this summer, two Young at ART programs: **Art Explorers** for ages 3-8 and **Art Adventurers** for ages 9-15. These 5 session Parent/Child summer programs will feature a variety of fun, age appropriate art projects for the truly young at art to discover and explore. Parent/guardian must accompany and help their child participate in the art projects. Emphasis will be on art expression, creativity, socialization and enjoying many different art media. Projects may include painting, collage, nature, photography, jewelry and more.

Young at ART programs will be held on Saturday mornings, June 20-July 25 (no program on July 4); Art Adventurers will meet 9-10 am and Art Explorers will meet

from 10:30-11:30 am in the Art Studio at the CMAA Therapeutic Recreation Complex in Lake Worth. There will be a maximum of 8 children per class. Class fee is \$40 and includes all supplies. Space is limited, enroll soon. We can't wait to see your child's imagination soar.

To register for these youth visual arts programs please contact Lisa Kuntzman, Visual Arts Coordinator, at (561) 966-7026 or Lkuntzma@pbcgov.org.

Meet Our Friends!

Gabrielle Paczynski And Family

How did you first get involved with Arts4All Florida-Palm Beach County?

Gabrielle danced with Southern Dance for the first time at the Arts4All Florida-Palm Beach County Showcase. We stayed for refreshments and learned of all the incredible classes and signed up.

What programs have you participated in?

Literary Arts, Beatbusters, Spotlighters, jewelry making, improv, as well as one day "Art Pop" creative classes, cultural trips to the art museum and the theater.

What is your favorite program?

Gabby says all of them, but loves dancing, painting, being on stage and going to the theater best! Honestly even for us, as parents, it's difficult to choose.

Why do you like coming to Arts4All Florida programs?

Get to learn new things, do fun things and make new friends.

What sets Arts4All Florida apart from other organizations?

The diversity and affordability of programs. The kind instructors who are passionate about what they do.

What would you like to see offered in the future?

I would love to see a life skills class on handling and managing money.

What positive changes have you seen in Gabrielle since starting programs?

Keeping Gabrielle continually, mentally occupied is challenging to say the least. Arts4All has facilitated a further awakening in Gabrielle, she is more active, more verbal, more engaged in almost all areas. This is a direct result of the Arts4All programs, they engage the brain and Gabrielle is living proof!

Community Theatre

Community Theatre continues to be a sought after program for our teen and adult participants. This unique program is taught by two multi-talented local theatre professionals, Kat Kenny and Nathan Stubbs. This power team brings an original script and a lot of skills training to their classes. Participants learn vocal warm ups, stretches, and on-stage skills such as stage directions, voice projection, and audience awareness. The instructors identify the strengths of the participants through in-class auditions and grant the roles based upon abilities and interests. Community Theatre teaches participants how to work together as an ensemble in a positive and constructive way in order to achieve the goal of performing their play.

In the summer of 2019, the Community Theatre Ensemble kept the audience laughing at the Celebration of the Arts. "Couch Potato", an original play written by Kat Kenny and Nathan Stubbs was a hit with the audience. Actors rose to the challenge of this performance. As this play was a spoof on multiple TV commercials, actors were extremely versatile and kept focus

on when they were to be on and off stage. Additionally, actors became familiar with stage markings and learned to "hit their mark" and travel around the stage during their performance. This really helped to bring the show together and show the dynamic skills of our actors.

The Community Theatre group would also like to extend a huge "THANK YOU" to the set design class who provided an incredible living room scene backdrop for our performance, complete with a large TV and personalized logo, and for giving the opening remarks at the show.

We hope to see you on the stage or in the audience for our next performance at the Celebration of the Arts.

This year's winner, Jarel Londy, performed "Hungry Eyes" by Eric Carmen

Forest Hill Students perform to "You Will Be Found" from the musical, Dear Evan Hansen

Students at Forest Hill and Bak MSOA portrayed how to be a good friend through their dance.

Ending with a bow at the end of a great performance!

Dance Dance Dance

Our dance residency with Forest Hill Elementary School is one of several school-based performing arts programs held throughout the year. New instructor, Kali DeCarlo meets with five self-contained Autism Spectrum Disorder (ASD) units once a week for 30 minutes each. Select students in grades 3-5 are chosen to perform at the Arts4All Florida-Palm Beach County Showcase in December and always put on a show-stopping performance. This dance residency gives students the opportunity to explore the art of dance and movement and to be a part of the creative process.

This past fall, 9 students were chosen to perform at the Showcase entitled, "Lean on Me". Ms. Kali choreographed a dance to go along with the song "You Will Be Found" from the musical, Dear Evan Hansen. The song tied into our theme by sharing the message of being kind and helping out those around you. Every week, students practiced diligently with Ms. Kali and encouraged one another to give their best effort. Everyone was excited for show day, especially getting to wear costumes and dance alongside students from Bak Middle School of the Arts. We would like to thank Forest Hill Elementary School faculty and staff for providing on-going support for this program and for helping to make the event a very memorable day for the students and their proud parents and families. Learning about themselves, taking changes, having a growth mindset, trying new things and having fun are just some of the benefits of the dance residency for our very wonderful and special students.

Lean On Me

The Arts4All Florida-Palm Beach County Showcase is a fun, entertaining, and heartwarming inclusive community event where children, teens, and adults have the opportunity to showcase their talents on a professional stage. On December 7, 2019, a variety of performing arts from Palm Beach County took to the stage at the Duncan Theatre @ Palm Beach State College in Lake Worth. Hosted by the wonderful, Alan Billingsley, the Showcase featured nine different performances this year! Performers included: The A4AFL-PBC SpotLighters, A4AFL-PBC Dance Residency with Forest Hill Elementary School and Bak MSOA, pianist Brian Chen, A4AFL-PBC's Jazz it Up Group, A4AFL-PBC's Dance Residency with Palm Beach Central High School, Southern Dance Theatre's Special Arts Ensemble and vocal soloists: Devin Masteron, Sarah Evans, and Jarel Londy.

An exhibit of A4AFL-PBC visual artwork was hung in the lobby at the Duncan Theatre. This artwork was created during the year in various A4AFL-PBC visual arts programs. The exhibit was on display for public viewing for 2 weeks following the Showcase.
