To protect the health and safety of customers and employees and reduce the spread of COVID-19, the Planning Division is implementing the following procedures effective beginning March 20, 2020 until further notice.

Meetings: All meetings, both internal and external, will be conducted via teleconference or Web Collaboration. Please contact the Planning Division at 561-233-5300 or the applicable staff to set up an appointment. Staff will modify any previously scheduled meetings to a conference call.

Planner-On-Call (POC): Members of the public are encouraged to contact the Division Planner on call via phone or email at 561-233-5343 or PZB-PlanPOC@pbcgov.org rather than visiting the office in person. For walk in customers, instructions are posted in the Planning reception area to either call the POC phone number at using a personal phone or send an email to the POC email.

Application Submittals: The next Future Land Use Atlas (FLUA) amendment application intake date scheduled for May 6, 2020 will be extended by two weeks to May 20th. The Traffic Study Intake date will be extended to April 22nd. If there are office closures, staff will re-evaluate and may extend further. Any changes will be reflected on the Planning Division website at: <http://discover.pbcgov.org/pzb/planning/Pages/2021-Schedule.aspx>

Public Hearings, Advisory Board Meetings: At this time, BCC Hearings are still planned as scheduled. However, if hearings are cancelled by the BCC, notification will be provided on the Planning Division web page and to applicant representatives. There is currently a 30-day suspension of Advisory Board meetings which is in effect until April 13, 2020. Any further extension to the cancellation period will be communicated on the Planning Division web page, to the applicant representatives, and to the Planning Commission members.
