Title/Request:	Title: a Subdivision Variance Request: to allow access from a 50-foot Local Residential Street for a non-residential use on 2.34 acres

Summary:

This application is for a proposed Victory Gospel Assembly of Christ (Place of Worship). The site has no prior approvals by the Board of County Commissioners (BCC) or the Zoning Commission (ZC) and developed with a single-family home. The subject site has Agricultural Residential (AR) zoning and is located approximately 2,100 feet south of Hypoluxo Road on Hypoluxo Farms Road. Hypoluxo Farms Road is the only access into this neighborhood of approximately 19 residential and agricultural properties.

This request is being reviewed concurrently with an administrative application to allow a Place of Worship (DRO-2025-01890). The proposed site plan indicates a 3,509 sq. ft. Place of Worship with 100 seats and 34 parking spaces. Article 4 permits a Place of Worship less than 5,000 square feet, including accessory uses, to have frontage on and access from a Local Residential Street. The proposed Place of Worship is a nonresidential use and is also subject to the applicable roadway requirements of Article 11. Article 11 requires the Local Residential Street providing access to the proposed nonresidential use to comply with the Local Commercial Street standard, including an 80-foot right-of-way. Hypoluxo Farms Road has an existing 50-foot right-of-way. The Applicant is requesting a Subdivision Variance from the applicable Article 11 roadway requirements. Access is proposed from Hypoluxo Farms Road.
