NOTE: This award and execution of a contract is contingent upon successful negotiations. This Notice of Intent to Award is hereby posted this date in fulfillment of Palm Beach County Code as codified in Chapter 2, Article III. A contract must be completed and executed by the successful proposer and the County and, when appropriate, by the Board of County Commissioners before it becomes valid and effective. If these conditions and contract negotiations, if applicable, are not met within a reasonable time frame as determined by the County, the County may elect to cancel the Recommended Award to that proposer and make the award recommendation to the next most advantageous proposer. The process may continue until such time as the County has determined to cancel the procurement in its entirety.
